His attack is the same as Kyrie's system.
He also has the ability to turn things to sand.
But his power...his attack range is far superior.
His reaction time is especially amazing.
In Kyrie's Light things turned to sands, but there was a slight delay.
Therefore, it's possible that is the reason Rajiv was able to survive then, but
As far as this guy goes, there's no waiting on exposure time.
His Light causes substances to change in an instant.
He's probably several orders of magnitude more powerful.
I imagine he has even more hidden energy.

I HAD NO IDEA IT WOULD BE SO EASY!!
I PLANNED IT!! HE WAS LIKELY TO BE A HINDERANCE TO US, SO I PLANNED TO ELIMINATE HIM IN ONE GO --

Someone like myself can perceive the power of an ally like that. My other colleagues said that a Warrior's Insticts should cause him to fear a powerful foe, but I felt no such fear.
Now I suppose Naja was able to destroy the best of the harvest.
World Destruction? That's just nonsense.
That's right.
Fools often believe many such things.

Compared to Naja, someone like myself is a much better opportunity.

Foul creatures which haunt this infinite darkness shall be granted cleansing by the Light of Attonement.
The unrighteous persons, the theives and murderers, the envious angry ones, those who incite the human spirit, those who commit blasphemy against the children of the Creator - From Heaven's end on the high places what else might thou see?
In earnest, In straight earnestness, until all of the rubbish has been destroyed.
History shall end. Until that time...

I shall keep singing
Even though I am about to be bereaved, alone in the void of a world turned to sand
That's what our fate is
I shall sing:
Of thy works
Of the world
Of that cleansing Light
I shall sing:
Of the day of judgement
Of destruction
and death's fate
Of the beauty of creation turned to sand
Of despair
History shall end

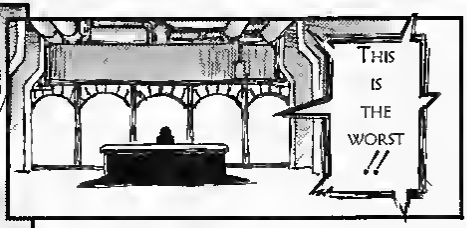
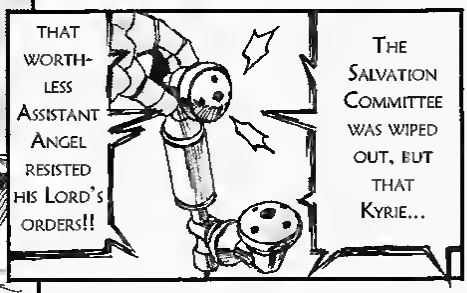
But that Assistant Angel escaped with Taupy and Naja!!
Ah... Aahh,
Of course, it was nothing to the Lord.



This is the worst !!



That worthless Assistant Angel resisted his Lord's orders!!
The Salvation Committee was wiped out, but that Kyrie...

...You are too calm, sir.
You say this is "the worst" so let's try calming down first.
CRUNK
How about we settle for you being less noisy.
What can we possibly do about that Assistant Angel's abilities!?
What!? I suppose that's to be expected from the Ferals' best tactician.
Besides, there is more at hand.
The Assistant Angel's powers are something to be reckoned with, but given the difference in power between him and the Lord, it should be fine to ignore him. Do not worry.
I'm coming in.
Glim
Tactician ...
What a thing to say...

I do feel a certain kind of draconic majesty in that cute form.

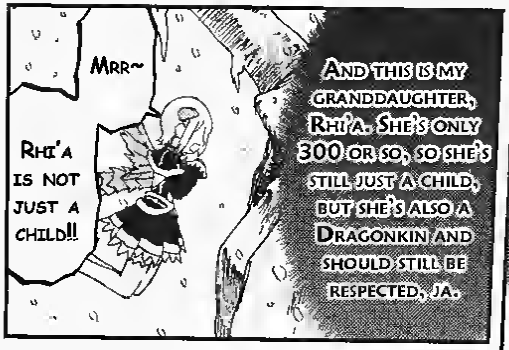
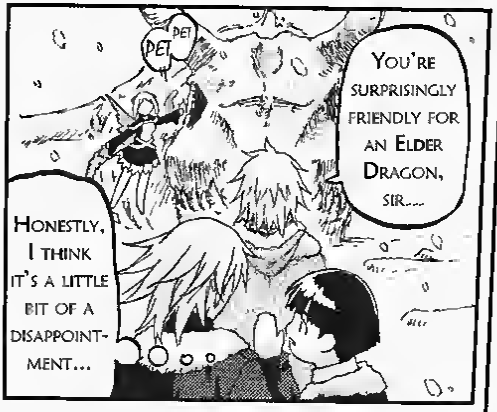
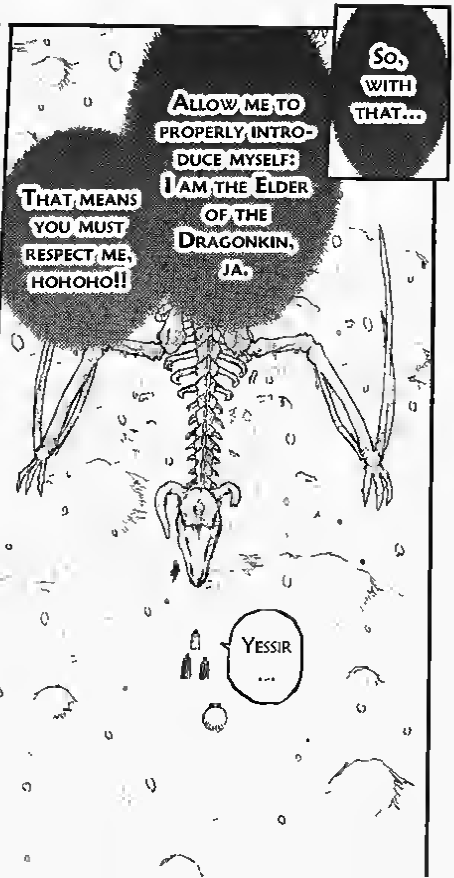
Chapter 9
The Storyteller

Scanlation by Sandy87



Mrr~
Rhi'a is not just a child!!
And this is my granddaughter, Rhi'a. She's only 300 or so, so she's still just a child, but she's also a Dragonkin and should still be respected, ja.



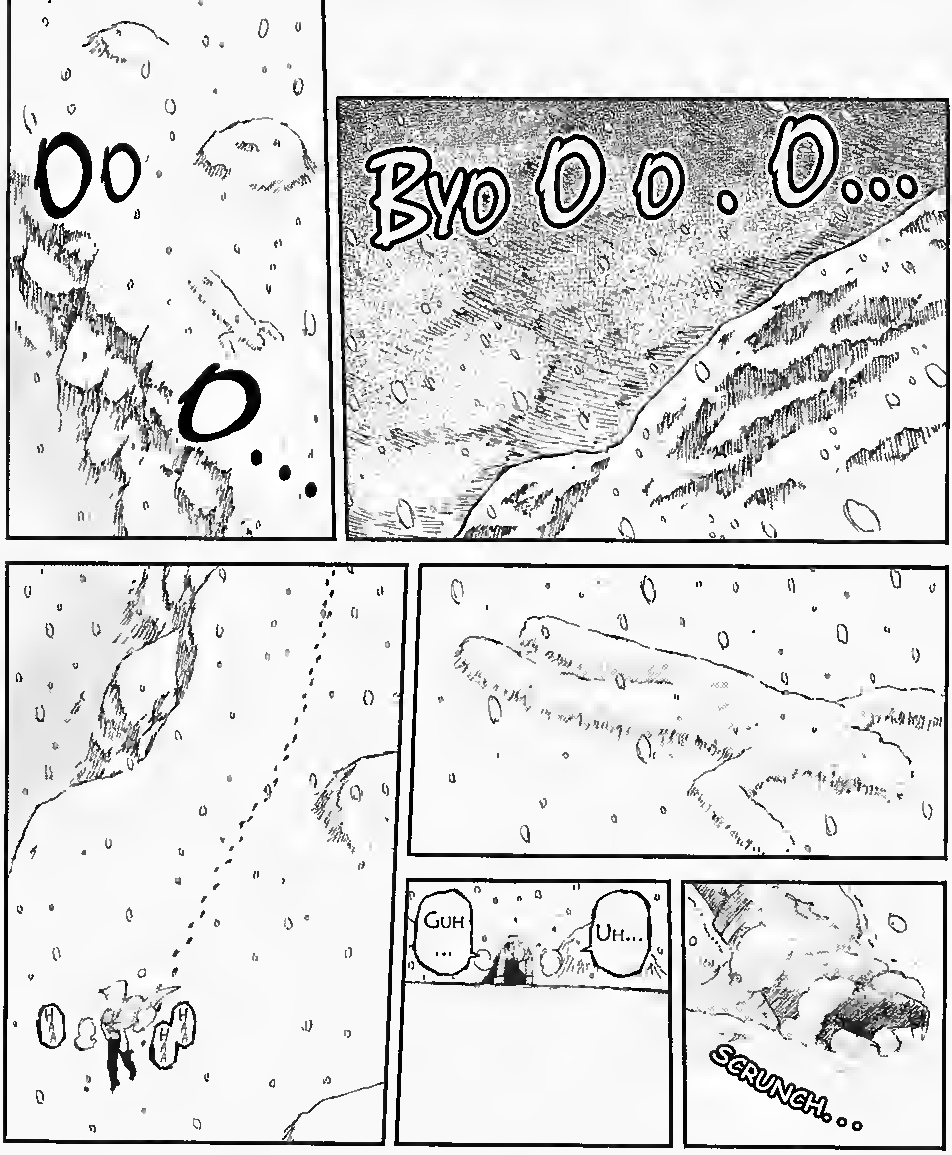


So, with that...
Allow me to properly introduce myself: I am the Elder of the Dragonkin, ja.
That means you must respect me, hohoho!!
Yessir...

You don't seem like a ghost or anything like that...
Why is it that you're just bones...?
A ghost!? Well, these bones are really just for your convenience. A target to look at.
I suppose "ghost" is as good of a word as any.
May I ask you something?
Um...
That sounds too strange to be true... How mysterious...
... Telepathy, you say?
This voice is also speaking directly to your minds, as well, ja.
I have already been released from my body, so now my existence is only as a ghost.
Among other people ...?
But it is not so surprising. Among other people, souls are also reincarnated repeatedly. We are simply slower, as our lives span many eras.
Dragonkin are cut off from the yoke of time in a way other races are not.
We have an infinite life force. Even if our bodies are destroyed, our souls will continue to exist.

You are the De-struct!
You are also outside the yoke of time, wouldn't you agree?
...You are the same as us...
.....
.....!!
Elder Dragon-kin!!
We came to hear your stories!!
Please, tell me!! What is happening!? What's with that angel!?
I...
I!!
I don't have a clue about what's going on!

After all, it is the mission of the Dragonkin to pass this story on.
I see. As you wish, then.
Knowing the reality could be burden-some, you know.
For-getting is sometimes salvation.
Let's talk
about the whole world!!

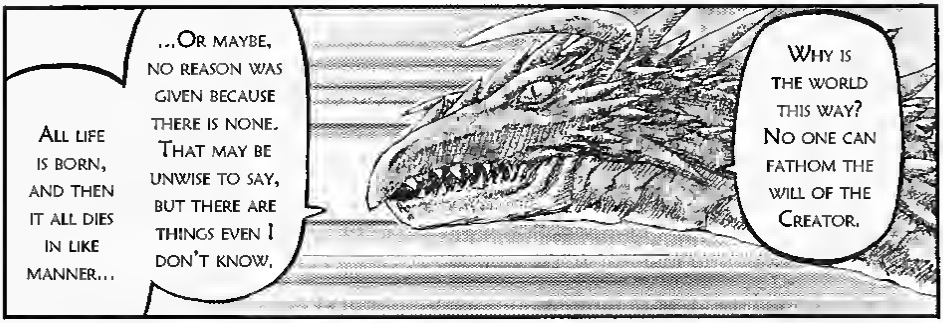


Oo
o..
Byo o o . o...
HA
HA
GUH ...
UH...
SCRUNCH...

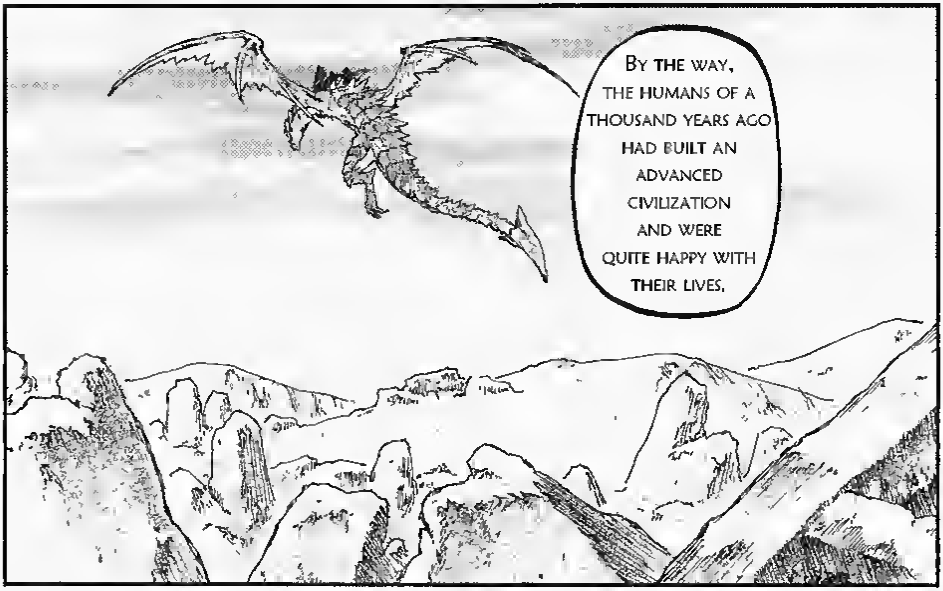
WH... WHAT'S THIS!?
THIS IS WHAT I LOOKED LIKE IN MY PRIME!!
HMM...
HOW DO I LOOK? PROBABY QUITE VALIANT!!
IT'S PROBABLY BETTER FOR YOU TO SEE IT YOURSELVES. IT'S AN OLD STORY, SO IT'D BE BORING OTHERWISE!
I'M SHOWING YOU ALL A THOUSAND YEARS AGO. I'M PROJECTING THE SCENE INTO EVERYONE'S MINDS, JA.
...YES, THAT'S CORRECT, JA.
THIS SCENE LOOKS LIKE...
... HOW-EVER ...

But this is not just a one-time thing. It is the way of the world.
This is the world as it was dying.
The cycle of the world's destruction and rebirth repeats every thousand years!!

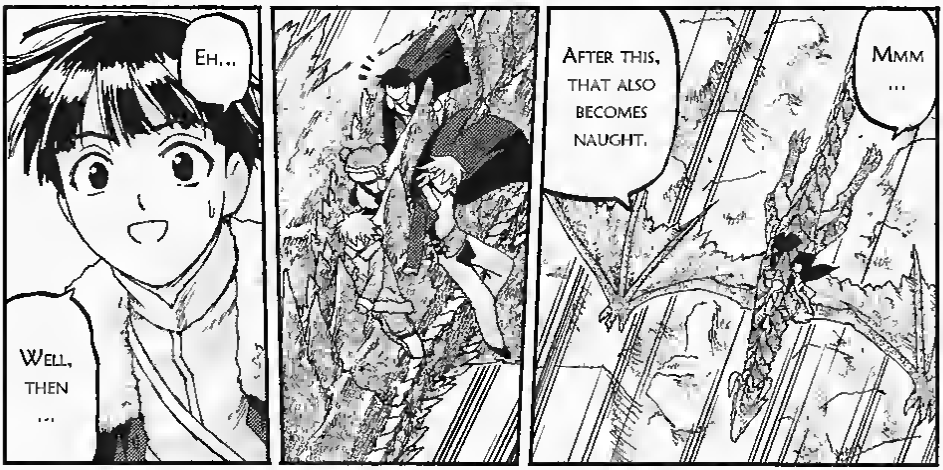
?
We'll skip a bit here.
Every thousand years...?
Something like that...
What in the world now...
This is the Cradle of Life, where everything for the next world is stored, ja.
Hyon...
!!
This way, there will always be life in the next world.
Here every kind of living thing, from humans and animals and plants to even the tiniest microbes, is safely stored.
Like the legend of Noah's Ark.
Legends sometimes contain the truth.
Nevertheless, only a few breeding pairs are kept. The remaining majority of life, along with all traces of civilization, disappears into the dust.



All life is born, and then it all dies in like manner...
...Or maybe, no reason was given because there is none. That may be unwise to say, but there are things even I don't know.
Why is the world this way? No one can fathom the will of the Creator.



By the way, the humans of a thousand years ago had built an advanced civilization and were quite happy with their lives.



Eh...
Well, then ...
After this, that also becomes naught.
Mmm ...

In the previous world, Ferals simply did not exist. Beastmen were only born in the next millennium. You are unique to your world, Ja.
I do not know why.
No, no, that's not it at all.
By "happy with their lives," do you mean that prevously, humans and Ferals co-existed peacefully!?
What... That's too bad, huh, Lord Naja.
The birth of Ferals... secret...? Interesting.
Oo
Oo
Kyooo
O

HIOOOD.....
Huh ...? The Valley of Dragons ...?
Wel-come ba~ack!!
You are the Destruct, Kyrie!
Did you understand what you saw? The ways of the world.
The destined destruction of the world is your responsibility. It must be your fate.
You two are the Angelic Pillars of the world!!

WHAT A BAD FATE.
YOU ONLY HAVE A LIMITED AMOUNT OF POWER AS A BIT OF INSURANCE. GET IT?
TO BE PRECISE, YOU ARE SOMETHING OF AN ASSISTANT TO THE ARCH-ANGEL.
WHEN THE TIME FOR DESTRUCTION COMES, YOU INCARNATE INTO HUMAN BODIES.
THE SOUL EXISTS ON A HIGHER LEVEL THAN MERE HUMANITY. AT YOUR CORE, YOU ARE THE ANGEL OF DESTRUCTION, JA.
FLIT
EH~~~
DESTRUCT KYRIE, AND THE NAME OF THE OTHER ONE WAS... THE OTHER ANGEL'S NAME IS RIGHT IN THE END OF MY MOUTH, BUT...

Every thousand years, the world and nearly every living thing and all of civilization are destroyed and reborn. And to carry out this destruction, Kyrie and another of the angels were incarnated in this world.
Is that what you're saying?
That's right!
Next time, Rhia will sing it!
...The Angel of...
De-struc-tion ...
Let's get this story straight...
It's not that we don't believe you; it's just that this story has such a large scope...

Even if your story is true, I still have questions.
Although I understand that the world is to be destroyed, concerning the rebirth of the next world...

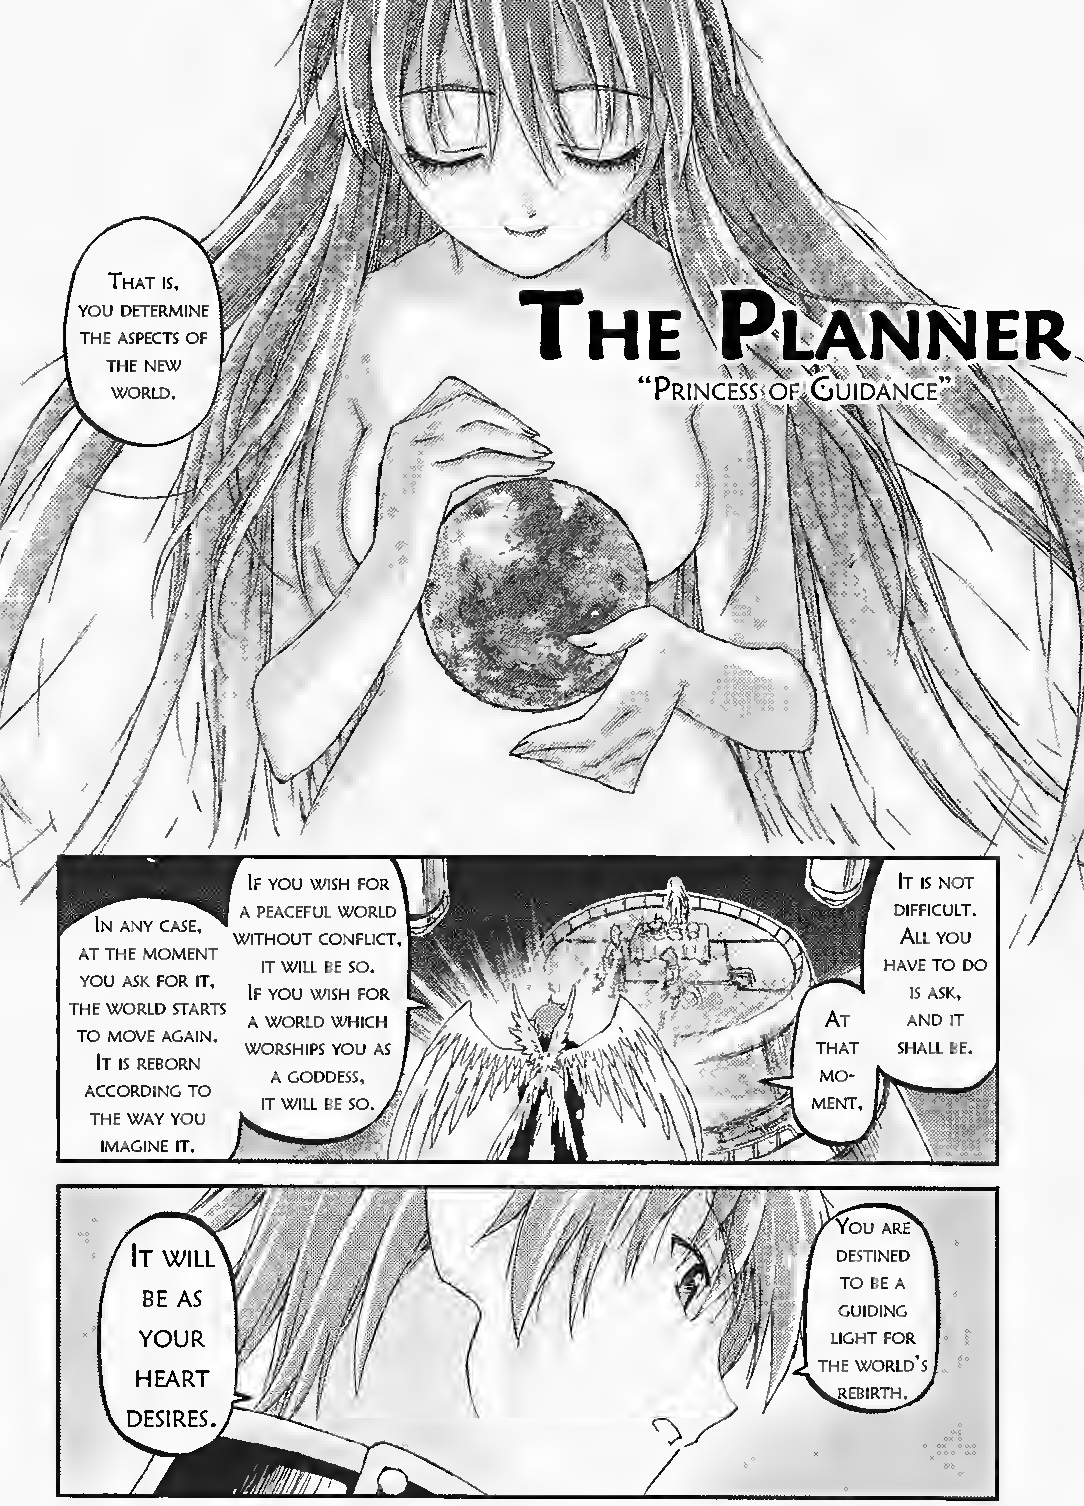
I KNOW YOU.
AND THE SOUL THAT IS WITHIN YOU KNOWS MY NAME AS WELL.
IN THE PREVIOUS WORLD ...
NO, OUR FATES WERE LINKED EVEN LONG BEFORE THAT.
THE PREVIOUS WORLD, HUH...
THAT SOUNDS REALLY SUPER-NATURAL,
BUT, WELL... YOU'RE A GUY WITH WINGS GROWING OUT OF HIS BACK, SO~
WHY WOULD I KNOW YOUR NAME...
DON'T TRY THAT LINE.
PRIN-CESS...
YOU ARE THE GUIDE OF THE NEW WORLD.
KATA
EH !?

The world repeats its cycle of destruction and rebirth. We are incarnated every millinium, and each of us must accomplish our destiny.
My Assistant Angel and I must destroy the world.
AND THEN,
After the world is wiped out, your mission begins.



That is, you determine the aspects of the new world.
THE PLANNER
"Princess of Guidance"
In any case, at the moment you ask for it, the world starts to move again. It is reborn according to the way you imagine it.
If you wish for a peaceful world without conflict, it will be so. If you wish for a world which worships you as a goddess, it will be so.
At that moment,
It is not difficult. All you have to do is ask, and it shall be.
It will be as your heart desires.
You are destined to be a guiding light for the world's rebirth.

THE PLANNER ...
.....
AM I ...?
.....!!
THIS... SHE'S JUST A PUNY HUMAN GIRL!!
MY LORD!! THIS MUST BE SOME KIND OF MIS-TAKE!!
AS IS OFTEN THE CASE, YOUR MOST RECENT REINCARNATION HAS CAUSED SOME CONFUSION IN YOUR MEMORIES.
IT WAS ALSO SO FOR MY ASSISTANT ANGEL.

SHUT UP, YOU BRUTES!!
A... ALL RIGHT, SHEESH!
IT'S ONLY NATURAL FOR YOU TO BE INVOLVED WITH THE WORLD'S RECREATION.
YOU ARE NOT SPECIAL.
THAT'S NOT QUITE IT... EACH LIVING THING HAS BEEN GIVEN ITS OWN MISSION.
WHAT'S WITH YOU ACCEPTING THAT ALL SO FAST!?
IT'S WAY TOO INCREDIBLE OF A STORY TO TAKE IN SO SUDDENLY!!
YOU'RE JUST JEALOUS, YOU IGNORAMUS. A NOBLE LIKE ME IS SPECIAL.

DO GA

A THOUSAND YEARS AGO
EH…
THE NEXT WORLD…?
SHOULD THIS TASK REALLY BE GIVEN TO SOMEONE LIKE ME? TO MAKE A NEW WORLD…
…BUT…
YOU DON'T HAVE TO TELL US, BUT WE ARE CURIOUS:
WHAT KIND OF WORLD DO YOU PLAN TO MAKE, PRINCESS?
UM… WELL… IT'S A BIT EMBARRASSING…
…I DISAGREE.
A LADY KNOWN AS "THE PLANNER" WOULD CERTAINLY BE DESTINED TO DESIGN THE WORLD.
BUT, MY LADY IS JUST A DESIGNER. SHE COULD NOT DIRECTLY CREATE THE WORLD HERSELF.
DIVINITY WILL CONFER THE MATERIALS FOR THE NEW WORLD. BUT EVEN THE GREAT DIVINE IS NOT THE ONE WHO CREATES.
……
THE CREATION OF THE WORLD BELONGS TO NEITHER YOU NOR US…
THERE IS ONLY ONE ENTITY WHICH CAN CREATE THE WORLD.
THAT IS…

"Humanity"
Because people are all "Creators."
Humanity
Kyaa~!!
I can't talk about those kinds of things~
NopeNopeNope
Princess... Please, tell us the new world you desire
The Planner... The girl with the right to remake the world as she desires.
What ...

Right and wrong will always exist in the world. They are essential.
Even if she creates a Utopia, people's unhappiness will not vanish.
What a harsh fate she must be burdened with...
Can she endure it? I hope so, but if that bitterness has wearied her...
THE WORLD IS IN FOR A THOUSAND YEARS OF SORROW ...

I WONDER WHAT SHE WILL THINK AFTER HER REINCAR-NATION.
DESPAIR ...?

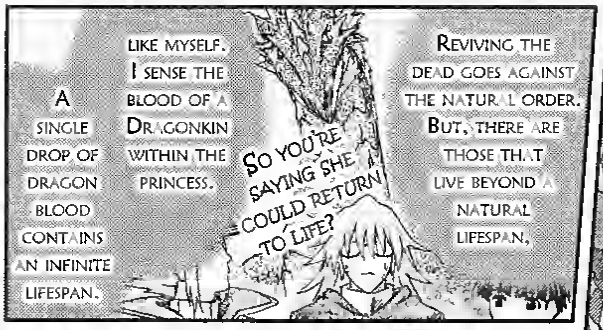
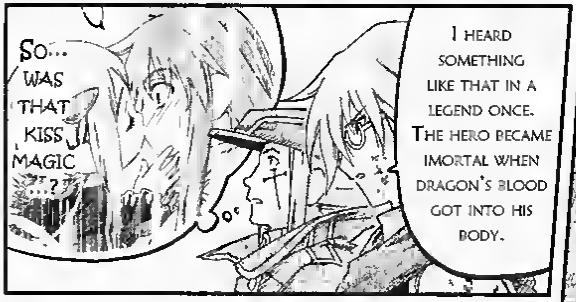
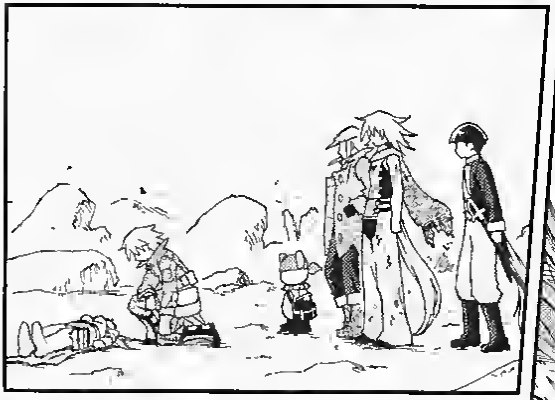
FOR NOW, THAT IS NOT THE QUESTION YOU SHOULD BE ASKING.
WHAT SHOULD WE BE ASKING?
HUH...?



A single drop of dragon blood contains an infinite lifespan.
like myself. I sense the blood of a Dragonkin within the princess.
So you're saying she could return to life?
Reviving the dead goes against the natural order. But, there are those that live beyond a natural lifespan.



So... was that kiss magic...?
I heard something like that in a legend once. The hero became imortal when dragon's blood got into his body.



If I add the power of a Creator to Dragonkin blood...

Children of men, Children of beasts, Grace is bestowed on every kind of child!

This is true free-dom!
